

Agricultural Marketing Service, USDA

§ 55.800

(b) *Other provisions.* (1) The applicant shall designate in writing the employees of the applicant who will be required and authorized to furnish each grader or inspector with such information as may be necessary for the performance of the service.

(2) AMS will provide, as available, an adequate number of graders or inspectors to perform the service. The number of graders or inspectors required will be determined by AMS based on the expected demand for service.

(3) The service shall be provided at designated locations and shall be continued until the service is suspended, withdrawn, or terminated by:

(i) Mutual consent;

(ii) Thirty (30) days' written notice, by either the applicant or AMS specifying the date of suspension, withdrawal, or termination;

(iii) One (1) day's written notice by AMS to the applicant if the applicant fails to honor any invoice within thirty (30) days after date of invoice covering the cost of the grading and inspection service; or

(iv) Action taken by AMS pursuant to the provisions of § 55.180 or § 55.200.

(4) Graders or inspectors will be required to confine their activities to those duties necessary in the rendering of service and such closely related activities as may be approved by the Administrator.

(5) When similar services are furnished to the same applicant under part 56 or part 70 of this chapter, the charges listed in this section shall not be repeated.

§ 55.570 Fees for service performed under cooperative agreement.

The fees to be charged and collected for any service performed under cooperative agreement shall be those provided for by such agreement.

SANITARY AND PROCESSING REQUIREMENTS

§ 55.600 General.

Except as otherwise approved by the Administrator, the sanitary, processing, and facility requirements, as applicable, shall be the same for the product processed under this part as for egg products processed under §§ 59.500 through 59.580(c) of this chapter and § 55.650.

§ 55.650 Inspection and grading.

Examinations of the ingredients, processing, and the product shall be made to assure the production of a wholesome, unadulterated, and properly labeled product. Such examinations include, but are not being limited to:

(a) Sanitation checks of plant premises, facilities, equipment, and processing operations.

(b) Checks on ingredients and additives used in products to assure that they are not adulterated, are fit for use as human food, and are stored, handled, and used in a sanitary manner.

(c) Examination of the eggs or egg products used in the products to assure they are wholesome, not adulterated, and comply with the temperature, pasteurization, or other applicable requirements.

(d) Inspection during the processing and production of the product to determine compliance with any applicable standard or specification for such product.

(e) Examination during processing of the product to assure compliance with approved formulas and labeling.

(f) Test weighing and organoleptic examinations of finished product.

Subpart B—Official U.S. Standards for Palatability Scores for Dried Whole Eggs

§ 55.800 Preparation of samples for palatability test.

Reconstitute 33 grams of dried whole egg powder as completely as possible with 90 grams of distilled water in a suitable, clean container. Add the water and mix until the mixture is smooth and free from lumps. Place the container in gently boiling water and
